

New York Chapter Association of Energy Engineers

Chapter Membership for 2018-2019

Dear Friends of NY Chapter AEE:

The NY chapter membership has been changed to a simple **\$100** fee structure.

This is a significant change to the way chapter membership has been done in the past.

Starting January 1, 2018, new member dues will cover:

- **8** meetings in **2018** (January-December) **AND**
- **5** meetings in the **first half of 2019** (January – May).

This is a **significant discount** off non-member pricing which remains \$20 at the door for chapter meetings.

As a chapter member, your name will be on a list at the door which will allow your entry for free.

Effective June 2019, we will transition chapter membership to a program-year basis to cover meetings September – May.

Please print, fill out and return this form with your check payable to NY Chapter AEE, to:
